CAREER OBJECTIVE

I am currently undergoing a Software Development course with Umuzi, and thus far I have acquired skills in SQL, Javascript, Python, Html and Css.

IDE's:

PyCharm, Visual Studio, IntelliJ, MySQL, Adobe XD

I am seeking to use my technical knowledge and skills to grow in a new role. I am perusing a career which will allow me to grow as an

individual and contribute to the growth of the organisation using my newly acquired IT skills.
